- Please do not share your personal banking and security details like passwords, CVV, etc. with any third person or party claiming to represent MakeMyTrip. For any query, please reach out to MakeMyTrip on our official customer care number.
- **A Note on Guidelines** : While we do our best to get you the latest information, due to the rapidly evolving nature of current events, sometimes that is not possible. Please note, it is the sole responsibility of the passenger to ensure his or her eligibility to enter the destination or transit countries (as applicable). We accept no liability in this regard. Please check the travel rules of all regulatory websites prior to booking as well as commencing travel.
- **Passengers travelling to Singapore, please note** : Who can travel? Travel to Singapore is open for vaccinated and non-vaccinated Indians. From March 31, 2022, Vaccinated Travel Framework, will replace the existing Vaccinated Travel Lane (VTL) scheme where in travellers (Vaccinated, partially vaccinated and unvaccinated) no longer need to take designated flights. Fully vaccinated do not need any entry approvals. Pre-registration or app requirements: All travellers must have the Trace Together app in Singapore to facilitate contact tracing. Must fill in the SG arrival e-card, the existing SG Arrival Card will be simplified such that they can be completed easily. Travellers will just need to submit their personal particulars, vaccination status and health declaration. Under the new Vaccinated Travel Framework, Travellers who are not fully vaccinated will remain responsible for their Covid-19 treatment costs, as per the billing policy for unvaccinated individuals who contract Covid-19 in the community. They can enter restriction free if they have not visited countries/regions in MOH's Restricted Category in the past 7 days. (Currently no country/region is under the the restricted category). COVID test/ vaccination requirements: All travellers vaccinated against Covid-19 and children aged 12 and below will be able to enter Singapore with just a pre-departure Covid-19 tes. ALL travellers must carry a negative COVID test report, with samples

- taken within 48 hours before departure. The COVID test report must have a QR code that can be scanned at the airport. On arrival tests are scrapped. Fully vaccinated must carry their vaccination certificates with 14 days having passed since the last dose and the certificates are not required to be digitally verifiable. Children aged 12 years and below are exempted from vaccination requirement. Accepted Vaccines: Covaxin, Covishield. Quarantine Guidelines for Indians: Fully vaccinated travellers can enter Singapore on any flights without having to serve quarantine from April 1. Non-vaccinated or partially vaccinated travellers from India must quarantine for 7 days SHN at a declared place of accommodation. They can exit with a negative PCR test on Day 7. Travellers who are: Long-term pass holders medically ineligible for vaccines, long-term pass holders aged 13 to 17, and long-term pass holders and short-term visitors with other valid entry approvals must undergo a seven-day stay-home notice (SHN), and take a polymerase chain reaction test at the end of their SHN period. Some airlines may have different eligibility criteria for certain visa categories. Please check the detailed guidelines for both your chosen destination and airline before planning your travel.
- **Valid ID proof needed :** Please carry a valid Passport and Visa (mandatory for international travel). Passport should have at least 6 months of validity at the time of travel
